Dear Sir or Madam,

Enclosed please find my application for admission to Occidental College as an undergraduate student in the fall semester of 1979. For a student of my intellectual gifts and future historical prominence, I have a choice of many places to go to college, but my interest in Occidental is strongest.

Why Occidental? Certainly, the buildings and grounds are attractive, but to be frank, as a young Muslim Communist foreigner who is not an American citizen, but rather an Indonesian citizen, and therefore not eligible to be the 44th President of the United States, I must apply to a college that can keep this matter secret. My comrades in the PanPacific Trotskyist League should have already sent on a \$500,000.00 donation for the "field house," which I trust should ensure the silence and future compliance of Occidental College administration.

Should you have any questions or concerns regarding this matter, please do not contact me directly, but rather leave an unmarked envelope containing your communication underneath the bridge between the arboreteum and the political science department.

Allahu Akbar, and Power to the Proletariat,

Barry "Obama" Soetoro
